It's time to speak, connect, explore - TIME TO MOVE

Venerdì 30 Ottobre 2026
17:00 - 18:30

Conosciamo l'Europa attraverso le competenze chiave. Oggi parliamo di:

1. **Personal & Learning-to-Learn (Self-Management):** Knowing how to calm down when stressed, organizing your time, and bouncing back when things go wrong.

2. **Interpersonal & Citizenship (Teamwork & Society):** Working well with diverse groups, knowing your rights, and helping your community or voting when you grow up.

3. **Entrepreneurship (Creativity & Action):** Turning a cool idea into a real project, taking smart risks, and solving problems in your neighborhood.

4. **Cultural Awareness (Art & Expression):** Enjoying music, movies, and art, and sharing your own creative background with others.
